

# Capitol Business

Tailored to suit executives and entrepreneurs alike

The Capitol Business card is the ultimate companion for you to enjoy worldwide access to your funds, and world-class benefits and services. Whether you're working, travelling or entertaining, a Capitol Business card provides you with complete peace of mind, discretion and unparalleled levels of service. Working seamlessly alongside your private bank business accounts, and perfectly tailored to complement your business and wealth management needs.

## Worldwide travel insurance and assistance

Rest assured you will enjoy high levels of cover to protect you and your loved ones. Whether you're travelling for business or pleasure, taking meetings in a new city, working in a foreign culture or touring a new continent, a Capitol Business card provides you with the reassurance, support and security you require.

The annual cover for you and your family who are travelling with you includes car rental cover, travel

accident and medical expenses cover, along with cover for travel cancellation, flight delays and luggage delay or loss, and much more besides. See link below for the full terms and conditions that apply.

Travel more securely in the knowledge that our team is on hand to deal quickly and efficiently with any problems and emergencies that may arise, providing the highest levels of service and drawing upon global support and resources, to ensure they are dealt with calmly and effectively wherever they occur.

### Mobile Payments

Capitol cards enable mobile payments via Apple Pay, Google Pay and Garmin Pay, allowing easy and secure payments with your mobile or wearable devices.

### Unparalleled acceptance

Our cards are accepted throughout the Visa and Mastercard networks at millions of ATMs and retailers worldwide.

### Complete discretion

You can select if your company name should not be embossed on the card, giving you the freedom to use your card wherever you are in the world with the extra level of comfort and security this discretion provides.

### Multi-currency options

If you are a frequent traveller or have expenses in various currencies, our multi-currency options ensure you can manage your exposure to foreign exchange. Capitol Business is available in a range of currency options to suit your travel plans and spending habits.

### Capitol App

Use the Capitol App to receive transaction notifications or to verify online transactions requiring Strong Customer Authentication with biometrics (fingerprint or face recognition).

### 24/7 cardholder support

Call your cardholder support team 24 hours a day, 365 days a year – wherever you are, whatever you're doing. Need a replacement card urgently? Planning an unusual transaction? We're just a phone call away.

### A seamless extension of your banking affairs

We automatically settle your balance in full every month from the private bank account you nominate – no bills to remember, no payments to make. Consider your Capitol Business card a seamless extension of your overall private banking relationship.

### Capitol Service online account access

As a Capitol cardholder you can manage your account online, check your available balance and view transactions or print your statements using Capitol Service, our fast, convenient and secure online account management system on a smartphone, tablet or PC.

### Contactless payment

Your Capitol Business card is contactless. This means that in most countries, you can use your contactless credit card for purchases of up to EUR 50 without entering your PIN number.
